

# GDPR Legacy Policy

## 1. Data Collection

We collect user data including names, emails, and usage logs without explicit consent mechanisms.

## 2. Consent Management

Consent is assumed when users use the platform. Opt-out is not clearly defined.

## 3. Data Subject Rights

Users may request deletion via email, but no SLA is defined.

## 4. Data Security

Encryption at rest is optional. Access logging is limited.

## 5. Data Transfer

Data may be transferred globally without safeguards.
