

GDPR Modern Policy

1. Data Collection & Minimization

We collect only necessary data and clearly define purposes. Personal data collection follows GDPR Article 5 principles.

2. Consent Management

Explicit consent is required. Users can withdraw consent at any time via settings dashboard.

3. Data Subject Rights

Users can exercise rights (access, rectification, deletion) within 30 days as per GDPR Article 12.

4. Data Security

Encryption at rest and in transit is mandatory. Continuous monitoring and audit logs are enforced.

5. Cross-Border Data Transfer

Transfers comply with SCCs and GDPR Chapter V safeguards.

6. Data Breach Notification

Breaches are reported within 72 hours to authorities and affected users.
